Subject: RE: DN 2020-162-T: Prehearing Conference Report
Date: Thursday, October 15, 2020 10:18:02 AM

Good Morning,

To date, the Commission has received no shipper witness affidavit/certification in this docket. Thus, this email serves as a friendly reminder that such documentation is required to be filed with the Commission prior to the virtual hearing on Wednesday, October 21, 2020 at 10:00 a.m. If circumstances have changed, and the shipper witnesses will appear live during the hearing, please advise. Otherwise, failure to submit the affidavits/certification could result in a continuance. Thank you in advance for your prompt attention to this matter. Have a great weekend and stay safe!

In accordance with Commission practices and procedures, please remember to hit “reply all” when responding so that there is no inadvertent, accidental ex parte communication in this Docket, regardless if such procedural communication may be exempt by statute.

With warm regards,

Jerisha Dukes, Esq.

Subject: DN 2020-162-T: Prehearing Conference Report

Good Morning,

Attached you will find a courtesy copy of the Prehearing Conference Report, which has been prepared pursuant to Regulation 103-839. Any objections to the report must be filed within ten (10) days. If no objections are filed within that time, the report will be deemed approved by the parties.

Shipper Witness Affidavits/Certification

As discussed during the prehearing conference, the letters of support may be submitted as shipper witness affidavits, but because of the pandemic, must also be accompanied by a certification. A number of shipper witness affidavits/certifications have been submitted since the beginning of COVID-19; they are available to view on the Commission's Docket Management System.

Thank you for your assistance in performing the test run. Take care and stay safe!

With warm regards,

Jerisha Dukes, Esq.
